What to wear

You will need to wear comfortable clothing that you can move freely in. Example, sports clothes that cover the knees and socks. Baggy clothes, jeans and jewellery are not suitable. We have a small hut that can be used to change in but most people find it easiest to change before arriving. You also have the option of changing using our toilet on site.

Why we create a monthly class schedule? When is our classes released?

We create a monthly class schedule, due to e.g. the change in weather (enable us to have classes later on in the day), and to rig safety checks.

Our classes and courses go on sale in batches of around a month at a time, approximately 1 month in advance. E.g. July - August dates will be released at the end of June.

The best way to book your class

Booking Policy

From our booking policy, you can only book a private class when the class schedule has been confirmed. The class schedule is released and put online and these are the same classes we make into private bookings.

Online we release classes of different levels, e.g. level 1, level 2 level 3.

A level 1 class is the only class we allow to be turned into a Private booking.

If there is a level 1 class available with no bookings online, we can potentially stop selling the class and create a private booking for you.

Please email or give us a call to discuss the class that is available and email us your Ideal private booking info.

If your ideal private booking date has not yet been released online, please email us your ideal private booking information.

We will then contact you once our future class schedule has been confirmed, and give you preference on which classes are available before the schedule is released to the public. Then we will confirm, finalise times and booking details, process payment and create your booking all via email.

To find out when classes go on sale, please check our website and follow us on our social media platforms, [Facebook](#), [Instagram](#) and [Twitter](#).

If you have any more questions please don't hesitate to pop over an email to Info@gorillacircus.com and we will answer your query as soon as we can.

Happy Flying!
